Additional Information

****THIS INFORMATION IS INTENDED ONLY AS A GUIDELINE FOR APPLICATION SUBMITTAL
AND MAY OR MAY NOT BE ALL INCLUSIVE****

- ❖ Permit application must include name and license number of subcontractors; complete jobsite address which includes building address, street name, city and parcel number. Applications in **pencil** will not be accepted. **Addresses can be obtained from Volusia County Mapping Department (736-5959), and the Property Appraiser's office (736-5901) can assist you with obtaining the correct parcel number**
- ❖ **Notice of Commencement** – a **certified copy** of the recorded Notice of Commencement is required for any job greater than \$2500.00, and is to be submitted to this office prior to the first inspection. **(The Notice of Commencement is not required at time of submittal)**. The Notice of Commencement must be filed with the Clerk of the Circuit Court
- ❖ **Zoning Site Plan** - Show to scale, existing & proposed site improvements, with location of well & septic, if applicable
- ❖ **Energy Forms** – must have complete jobsite address, signed & dated
- ❖ **Crown of the Road Variance Application** – Site plans are to show existing & proposed elevations & drainage patterns
- ❖ **Driveway Site Plans** – Show driveway & apron dimensions
- ❖ **Construction Plans** – Are required to be a minimum scale of $\frac{1}{4}'' = 1'$, showing all proposed construction to include: floor plans, foundation plan, all four elevation views, structural wall sections of house, covered patios, decks and fireplace details. All construction plans must comply with the current Florida Building Code, section R301 signed, sealed & dated by a Florida registered Architect or Engineer. In addition, the plans must contain roof assembly information including substrate, type of roofing system, materials, fastening requirements, flashing requirements, wind rating, product evaluation or site specific statement by a Florida registered Architect or Engineer

I hereby acknowledge that the above mentioned plan requirements are hereby submitted with my permit application. I fully understand that if the minimum requirements (documents & plans) have not been met, the review, processing & issuing of my permit will be delayed. I further understand that I must submit plans in accordance with the requirements of the current **Florida Building Code(s)**.
